

Pledge for Professional Nursing

(Based on Original Florence Nightingale Pledge)

In full knowledge of the obligations I am undertaking,
I promise to care for the sick with all my skill
and the understanding I possess,
without regard to race, creed, color, politics, or social status,
sparing no effort to preserve quality of life, alleviate suffering,
and to promote health, as affirmed by the person.

I will respect at all times the dignity
and beliefs of the patients under my care,
holding in confidence all personal information entrusted to me,
and refraining from any action which may endanger life or health.

I will endeavor to keep my professional knowledge
and skill at the highest level, and to give support and cooperation
to all members of the health care team.

I will do my utmost to honor the
American Nurses Association Code of Ethics,
and to uphold the integrity of the profession.
