PROCEDURE:

Applications will be screened by the OSA.

1. Deadline for completion of applicant file is March 15. Applications will be accepted after March 15 deadline on a space-available basis.
2. Applications will be reviewed by the ADSA and the Associate Dean for Research (ADR) to identify applicants for further consideration, based on admission criteria, available resources, and College of Nursing research focal areas.
3. The ADSA and ADR, in collaboration with Department Chairs, will identify faculty members who are appropriate to serve as research mentors for admitted students. It is anticipated that the faculty member who agrees to serve as the primary mentor will later serve as either chair or member of the student's supervisory committee.
4. BSN/PhD students will be assigned an academic advisor by the appropriate department chair during the MSN component of the program, and will meet with the ADSA, ADR, and appropriate Department Chairs to identify a primary mentor upon entrance to the doctoral component of the program.
5. Following a positive recommendation from a prospective faculty mentor and Department Chair, the applicant is recommended to the Dean of the College of Nursing and the Graduate School for admission to doctoral studies in nursing, and all applicants are informed of the outcome.
