SPECIAL THANKS

The College of Nursing is sincerely grateful to the individual donors who contributed financially to support the purchase of our students' white coats. We thank all of our donors, many of whom are alumni, parents or faculty.

Your generosity inspires all of us.

An official list of sponsors will be shared on College of Nursing communications channels, as well as published in our summer edition of The Gator Nurse.

Humanism in Medicine pins provided as a gift from the Arnold P. Gold Foundation, initiators of the first White Coat Ceremony in 1993.

OATH FOR PROFESSIONAL NURSING

As I enter the academic clinical environment
to prepare myself for the role of a professional nurse,
I pledge to:
Commit to hold fast to the professional values of nursing;
Resolve to be patient with the young,
gentle with the aged, compassionate with the striving,
and supportive of the vulnerable;
Maintain a balance between
the use of technology and the
offering of evidence-based, humanistic nursing care;
Display integrity and professionalism at all times;
Understand that excellent nursing practice
is supported by respect for my inter-professional colleagues;
Incorporate the obligation of life-long learning
to advocate for and deliver
the highest quality patient care;
And lastly, I will support the nursing profession
through my care, leadership and ability to inspire
as demonstrated by my actions and behaviors.
