TITLE: ASSIGNMENT OF INCOMPLETE GRADES

POLICY: Students in the College of Nursing are expected to be in compliance with all University of Florida and College of Nursing progression policies.

An incomplete grade may be assigned at the discretion of the faculty member as an interim grade for a course in which the student has completed a major portion of the course with a passing grade, but has been unable to complete course requirements before the end of the term because of extenuating circumstances. The student must obtain approval from the faculty member, arrange for resolution of the requirements, and establish a deadline for completion with the faculty member.

RATIONALE: Progression in College of Nursing courses is dependent upon the student's ability to meet established academic standards within the required time period.
